Item 8.01 Other Events.

On February 22, 2022, The Shyft Group, Inc. (the “Company”) announced that its board of directors has authorized a new stock repurchase program pursuant to which the Company may purchase up to \$250 million in shares of the Company’s outstanding common stock. Share repurchases under the program will be made from time to time, in the open market, in privately negotiated transactions or otherwise, at the discretion of the management of the Company and in accordance with Securities and Exchange Commission and other applicable legal requirements. The timing, pricing and sizes of these repurchases will depend on a number of factors, including the market price of the Company’s common stock and general market and economic conditions. The stock repurchase program does not obligate the Company to repurchase any dollar amount or number of shares, and the program may be suspended or discontinued at any time.

A copy of the press release announcing the stock repurchase program is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Shyft Group Board of Directors Authorizes Repurchase of up to \$250 million of Common Stock

Novi, Mich., February 22, 2022 – The Shyft Group, Inc. (NASDAQ: SHYF) (the “Company”), the North American leader in specialty vehicle manufacturing and assembly for the commercial and fleet vehicle industries (including last-mile delivery, specialty service and vocation-specific upfit markets), as well as for the recreational vehicle markets, today announced that its Board of Directors authorized the repurchase of up to \$250 million of its common stock.

“Today’s announcement follows completion of the share repurchase program previously announced, as a result of the company buying back approximately 409,000 shares in January 2022 for a total cost of \$18.9 million,” said Daryl Adams, President and Chief Executive Officer. “This new repurchase authorization for up to \$250 million reflects the Board’s positive long-term outlook of the Company and demonstrates our commitment of returning value to shareholders.”

Repurchases under the new share repurchase program may be made through a variety of methods, including open market, or privately negotiated purchases. The timing and amount of shares repurchased will depend on the stock price, business and market conditions, corporate and regulatory requirements, alternative investment opportunities, acquisition opportunities and other factors. The Company is not obligated to repurchase any specific amount of shares of common stock, and the share repurchase program may be suspended or terminated at any time.
